“Have Your Say on The Draft Sandwell Council Tenant Engagement Strategy”

Sandwell Council is creating a new Tenant Engagement Strategy setting out how they will listen to, involve, and work with tenants to shape the homes and communities where you live.

The Strategy has been co-produced with tenants and Sandwell Community Information and Participation Services (SCIPS) and SMBC would love to hear your views.

Jan will deliver a short presentation at the General meeting giving members the opportunity to ask questions and discuss the Strategy. Other ways to give your views are:

- **Complete the online consultation:** [Tenant Engagement Strategy Consultation](#)

- **Scan the QR code to go straight to the survey**

- **If you prefer a paper copy, email:**
Comm_Partnerships@sandwell.gov.uk OR call 0121 569 2537

Leave a message and they will get back to you. They will also include a pre-paid envelope so you can send your comments back to them.

****Consultation closes 28th November 2025****

TRA Networking Session - October 2025

Essex Avenue Community TRA host Networking Session

The groups recently agreed to commence hosting networking sessions within their local areas, to give other groups a knowledge of their communities.

Essex Avenue Community TRA held the session at the 4Communities Hub on Wiltshire Way, West Bromwich. The work that is undertaken by the group was presented to the others. The TRA are a well-established group and were able to showcase all the things they achieve working together as a team, from coffee and natter mornings to saving the only community space in their area.

We also asked members, what TRA networking sessions mean to them - this is shown in the speech bubbles on this page.

The presentation was welcomed, with other group members feeling inspired, to take ideas and experiences away for use in their own areas. A big thank you to everyone that took part in making the day so successful - we look forward to the next session.
